---

Velma sent the following report from the September 19<sup>th</sup> Region 9 delegate meeting:

Financial reports were given for the Youth and Region 9. Region 9 spending may exceed income by the end of the year. There are funds available, however, the year will probably be in the red.

Region 9 Show Committee stated that there was approx \$21K profit. There were 608 horses, which is a slight increase over 2008 show. The show for 2010 is June 8-12<sup>th</sup>. Any requests for schedule adjustments must be sent to Kristen Fisher or Lisa Skalski by December 1<sup>st</sup>, and must include justification.

Region 9 Dressage/Sport Horse broke even. There were only 78 horses, down 20 from 2008. They will be adding Hunter Hack into the schedule for 2010 (full and half). The show for 2010 is July 15-18<sup>th</sup> in Waco.

Club news can be sent to Kristen Fisher and she will put it in the Hand Gallop for free.

There is a new proposal that is being discussed by the Regional Directors. A copy is attached (see below). This was approved by the delegates to go forward with an analysis, not implementation. We can discuss it at the next meeting, if you want to.

**Regional Qualification Proposal to AHA Board of Directors – August 2009**  
**(Board Agenda Item #27-C)**

PROPOSAL:

To change the rule that states you must qualify for Regional show within the same Region.

With the economy the way it is, and the point of the rule was to insure someone did not go from Region to Region to win sweepstakes money without participating in Region no longer pertinent,

We would propose that you allow qualifications for any Regional show to be acquired in any Region.

This allows exhibitors to save money, participate in their home region, yet qualify for other regions.

Example: Someone can stay in Region 9 to qualify for all other Regional shows. This helps his home Region and his client's expenses so they can attend more shows.

Region 12 likes to come to Region 14 but it is too far to come and qualify. It will not hurt the Class A shows in Region 14 because exhibitors in Region 14 are doing same thing by staying home in Region 14 to qualify for Region 12 and/or 13 and 11.

Same happens in Region 16.

In order to qualify for another Region in a different Region you must:

- 1.) Designate at beginning of each show what Region you want your points designated to. If you don't, they go towards home Region. This is done by horse.
- 2.) You CANNOT split points or shows between different Regions. NO, you cannot earn

20 points at the Buckeye and split 10 points Region 12 and 10 points Region 14.

We propose a triplicate form; this form is signed by Show Secretary that says what Region the horse has designated the qualifications for. 1 show secretary, 1 exhibitor, 1 AHA. Show Secretary will forward her copy of form to appropriate Regional secretaries for verification.

AHA would hold their copies in a per show file to verify qualifications if needed or questioned.

This proposal gives owners, trainers the ability to choose what shows they want to attend.

It allows people to get qualified for a Regional when it works for their schedule. This helps with work/school schedules/etc.

It can allow trainers to get multiple horses/amateurs/juniors for a Region out of their area.

It will allow owners and trainers greater exposure in which to sell horses. We all know how hard it is to sell in our own Region.

Motion by Jan Decker, That the regional qualification venue proposal presented by the Points Monitoring Committee be taken back to the AHA members by the Regional Directors for consideration and study, and the Regional Director shall report findings to the Points Monitoring Committee Chair for a report at the November 18, 2009 Board of Director's meeting. Motion Passed. (Motion #12-8/8/09-BOD)
