Sayyid Tsavoy x Ssimonea

2005 was his first show season and his record shows: Region 9 Top 5 in 2 Year Old Stallions and Reserve Champion AATH Stallions. Region 14 Top 5 2 Year Old Stallions and Top 5 AATH stallions. He has won many Championships at Class A shows including the AAHC Futurity Colt/Stallion. His pedigree is wonderful. His dam, Ssimone, is an *Aladdin daughter out of a *Bask daughter, who was 1973 National Top Ten in English and Western Pleasure. His sire, Sayyid Tsavoy, is an Ivanhoe Tsultan grandson out of a *Bask granddaughter. Breaking news!! Winseck Whirlwyn's first foal, Robert Red DB, at 5 months of age brought home two 1st Place ribbons and a Championship at his first show! We're very proud! Purebred \$800; Half-Arabian \$400. Donated by Dian Kennedy-Bales, Bartlesville, OK.

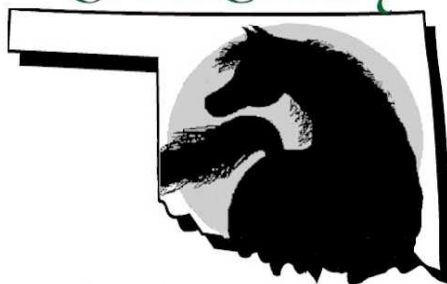

Bidding starts at ½ the regular listed stud fee. For information contact Becky Amason at (918) 406-2667.

Owners of non-Arabian mares must breed to a Purebred Arabian stallion to be eligible for Futurities at the Tulsa State Fair.

2008/2010 Stallion Service Auction**

Green Country

Arabian Horse Association

***Arabian/Half Arabian Weanling Futurity
Stallion Service Auction Futurity Rules***

1. The auction shall be held at a Green Country Arabian Horse Association sponsored event.
2. Stallion owners will donate stallion service to Green Country Arabian Horse Association Futurity to begin at half (50%) of the listed stud fee. Minimum stud fees will be \$300 (\$150 bid). Services will be auctioned the night of "Stallion Alley" presentation, for those desirous of buying that night. After the close of the activities, all stallion services not sold during the auction will be available for purchase by mailed-in sealed bid or official electronic bid which can be accessed at www.gcaha.org. If you are the first bid received with a bid equal to or greater than half the listed stud fee, you are the successful buyer. If payment is not received for the purchase the stallion service will be available to the next bid received. **No services will be sold after June 1st of the breeding season.**
3. Donations of all breeds are welcome. Buyers of non-Arabian service (i.e., American Saddlebred, NSH, Pinto, etc.) must breed a Purebred Arabian mare to these stallions, as Futurity classes are open to Purebreds and Half-Arabians only.
4. Bids must be secured by a minimum payment of 1/3 the bid, due at the TIME THE BID IS MADE. If this is not done, that stallion's services will be deemed as still available for purchase.
5. All stallion service donations are to be given to the Stallion Auction Futurity Chairperson prior to the deadline announced each year and shall include: Stallion's registered name, registration number, names of stallion's sire and dam, coming season's stud fee, owner's names and address, phone number, where stallion will be standing during the upcoming breeding season and if transported semen is available. If the donated stallion is a Purebred Arabian, stallion's DNA must be on record with the Arabian Horse Association.
6. Anyone may purchase breedings through the GCAHA Stallion Service Auction, but non-club members will be assessed a \$25 handling fee added to the breeding purchase price.
7. Upon sale of the service, the stallion owner/lessee may enter one of their own foals **of like kind** by that stallion in that year's Futurity (**Purebred for sales of Purebred breeding, Half-Arabian for Half-Arabian**). The buyer of the stallion's service may enter a foal resulting from that service in that year's Futurity. If the buyer does not have a live foal resultant from the service, buyer may breed to the same stallion the following breeding year. The purchase price will then be transferred to the next year's Futurity fund, and the resulting foal shall be eligible for the next year's Futurity. **Breedings may only be carried over one year to still be eligible to show in the Futurity classes. Stallion owners may determine whether or not to honor carryover breedings of more than one year, but no stud fees will be refunded.**
8. Both stallion and mare owners must notify the Futurity committee of the mare chosen for breeding by December 31st of the breeding year.
9. Stallion owners may purchase their own stallion's service. If this is done, they may show two foals in the Futurity class. Stallion owners will be notified in writing should the purchase price not be paid in full by a bidder by the deadline of June 1st. Under this scenario the stallion owner, and only the stallion owner, may purchase the breeding AT BID PRICE and show two foals in the Futurity. Partial payments on a stallion's contract will NOT be refunded to the original bidder.
10. Service fee must be **paid in full** to Green Country Arabian Horse Association **prior to service.**
11. Foals will be shown in the Futurity in their weanling year.
12. Mare owner's indebtedness to stallion owner should be paid directly to the stallion owner. These include, but are not limited to; board, necessary vet fees, foal-at-side care, etc. All bills must be paid in full to be eligible for the Futurity class. **Fees not paid by entry into Futurity classes will PRECLUDE ELIGIBILITY for those events.**

Bidding starts at ½ the regular listed stud fee. For information contact Becky Amason at (918) 406-2667.

Owners of non-Arabian mares must breed to a Purebred Arabian stallion to be eligible for Futurities at the Tulsa State Fair.

**Green Country Arabian Horse Association
2008/2010 Stallion Service Auction**

13. Purebred foals only are eligible to be shown in the Purebred Futurity. Half-Arabian foals eligible for registration with AHA are eligible for the Half-Arabian Futurity class.
14. The Purebred Futurity classes and the Half-Arabian Futurity classes will be designated AMATEUR TO HANDLE classes only. **USEF (United States Equestrian Federation) rules require either a current amateur card or a one-time amateur certification fee. Futurity entrants must enter and SHOW in the corresponding open class to be eligible for Futurity winnings. If this is not done, monies will be distributed to the next placing Futurity winner.**
15. The Futurity will be held at the TULSA STATE FAIR in conjunction with the Arabian Horse Show held during the fair.
16. Refunds will be given only in the event of a stallion's death or **vet-certified** sterility prior to the designated mare conceiving, in which case the stallion owner has the option of offering a stallion of equal quality. If the stallion offered is not acceptable to the purchaser, the money paid by the purchaser for the breeding will be returned to the purchaser. Green Country Arabian Horse Association has the option of taking the breeding offered and selling it at private treaty.
17. The stallion service may be paid for in one of the following formulas: Payment in full at time of bid; or one-third down at time of bid, one-third by January 15th and the balance by March 15th. If mare owner wishes to breed prior to March 15th, service must be **PAID IN FULL PRIOR TO BREEDING**, with payment considered past due June 1st. Bids not secured with a one-third payment shall be deemed to be non-binding and **STILL AVAILABLE**.
18. The purchaser of a breeding at this auction must get the written approval of the stallion owner prior to selling the breeding to another party. If a buyer sells said service, written notification must be provided to the Stallion Futurity Chairperson. The new owner of the service shall observe all guidelines set forth for the original owner. With proper documentation, the foal of the new owner will be eligible for the Futurity.
19. Written notification of a transfer of ownership of a mare, or eligible foal, must be provided to the Futurity chairperson within thirty (30) days of the transaction. Please include a copy of the Transfer of Ownership. This shall be the responsibility of the new owner and applies to any change of ownership of an eligible foal, whether stallion owner's or purchaser of the stallion service.
20. Responsibility of entering an eligible foal in the Futurity class shall be the responsibility of the foal's owner.
21. In the event of any misunderstanding, the decision of the Futurity committee will be final.
22. Monies will be divided in accordance with number of colts/fillies entered in the Futurity. Example: 30 foals entered, of which 10 are colts and 20 are fillies. 33.3% of the money will pay out to the colt class and 66.7% will pay out to the filly class.
23. Prize money for each Futurity class shall be distributed as follows:

Horses	1 st	2 nd	3 rd	4 th	5 th	6 th	7 th	8 th
1	100%							
2	60%	40%						
3	50%	35%	15%					
4	45%	30%	15%	10%				
5	40%	25%	15%	12.5%	7.5%			
6	40%	25%	15%	10%	5%	5%		
7	37.5%	22.5%	15%	10%	5%	5%	5%	
8+	35%	20%	15%	10%	5%	5%	5%	5%

The Green Country Arabian Horse Association will mail prize money checks to the owners. The Futurity Chairperson or his/her assigns, shall maintain the records, keep the monies and sign all checks.
