Contract Number: _____

This contract for the breeding season of _____ is made on the _____ day of _____, is

by and between Natalie Angstadt: dba NN Elite Arabians, hereinafter referred to as the **Breeder**, and Mare Owner

hereinafter referred to as the **Client**.

The Purebred Arabian stallion, _____ Registration Number _____ ,

SCID Status: _____

CA Status: _____

will be bred to:

_____, Registration Number _____ , for the fee of

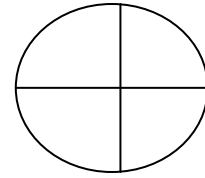

_____ for a **Live Foal**, as defined in #9 below, subject to the following conditions:

1. Stallion fee includes a non-refundable booking fee of **\$250.00 payable to the Breeder** with this completed contract, in advance, to reserve the breeding. The balance of _____ is to be paid at the time of stallion collection or anytime prior. Collection will not be conducted prior to receipt of full payment.
2. Client will secure an account with FedEx and provide Breeder with account information in order to overnight delivery of semen.
3. Client will notify Breeder with a phone call as mare is checked and monitored for follicular development and approximate ovulation. Breeder must be notified by 8am CST for same day collection and shipment.
4. Breeder will exercise judgment in care and supervision of mare (if on site) during the breeding process. Attending veterinarian will examine mare for normal breeding conditions and will administer medical care as deemed necessary for the health and safety of the mare. All veterinarian and/or

necessary farrier expenses will be paid by Client.

5. It is the Client's responsibility for paying semen collection fees to the person(s) performing this procedure. The Client will also be responsible for any fees associated with the insemination process. The Breeder will provide the client with options from the Breeder's veterinarian for this process.
6. Should the mare be brought onto the premise where the Stallion stands for breeding, the Client shall be responsible for providing the Breeder with the following test results performed by a licensed veterinarian. The Client will be responsible for paying for these tests:
 - a. A negative Coggins test (presented upon arrival)
 - b. A negative uterine culture (barren mares) performed within 30 days of mare breeding.
 - c. A photocopy of both sides of registration papers (presented upon arrival or sent via email)
 - d. Statement of current vaccinations
7. The mare must be examined by a veterinarian using ultrasound scan at 16-20 days post-breeding. At this time, if the mare is in foal, the Client must inform the Breeder of the situation and schedule a second ultra-sound scan for 32-35 days post breeding and a palpation between 50-55 days post-breeding to follow up the first ultra-sound test. If the Mare is not in foal, the Client must notify the Breeder immediately so we are aware of the situation and can prepare for a re-breed.
8. Client agrees to give Breeder ample opportunity to settle mare, and Breeder agrees to diligently try to settle mare. However, if mare fails to settle, for any reason, Client will hold Breeder blameless.
9. This contract contains a "Live Foal Guarantee." A live foal is defined as a new born foal which stands and nurses without assistance. If foal is born dead or dies within 72 hours of foaling, there are return privileges only if Breeder is notified within ten (10) days by veterinarian's statement confirming the death of the foal. It is agreed that should the mare miscarry, abort, or prove barren after leaving the Breeding Manager's premises, Client has the privilege to return her for breeding during the current breeding season _____, or during the same period the following year, _____, for the booking cost. This privilege shall not extend to the year _____.
10. The Client agrees to keep said mare in good physical condition throughout her pregnancy, vaccinate for Rhinopneumonitis at 5, 7, and 9 months of pregnancy and de-worm on a regular basis. If these normal health care practices are not performed, all re-breeding privileges and breeding fees paid will be forfeited.
11. A signed Stallion Service Certification will be issued for the foal, conceived by this mating, when the stallion fee and all other expenses have been paid in full.
12. Both parties agree that the Breeder and any person associated with Breeder are not liable for death, sickness and/or accident including consequential damages caused to the mare; and that the Client is not liable for death, sickness, and/or accident including consequential damages to the stallion.
13. It is further agreed that should the above named Stallion die, be sold by owner, or become unfit for service, that the stud fee minus the booking fee will be refunded, thereby canceling this entire contract. If the mare dies, or becomes unfit to breed before being announced safe in foal, the Breeder will accept another mare, provided she meets the above-mentioned health requirements, according to paragraph 5, as a replacement.
